A Civil Action

**COMPLAINT FOR
DECLARATORY, INJUNCTIVE,
AND MANDAMUS RELIEF**

To the Honorable Judges of Said Court:

Plaintiff, Azhar Sajawal, through undersigned counsel, alleges as follows:

I. INTRODUCTION

1. This is a civil action brought pursuant to 8 U.S.C. § 1447, 28 U.S.C. §1331 and 1361, 5 U.S.C. § 701, and 28 U.S.C. §2201 *et. seq.* to redress the deprivation of rights, privileges and immunities secured to Plaintiff and to compel Defendants to perform a duty Defendants owe to Plaintiff.
2. Plaintiff files this action because the office of the United States Citizenship and Immigration Services ("USCIS") of the United States Department of Homeland Security ("DHS") in New York, NY has failed to make a determination regarding Plaintiff's Application for Naturalization for over 120 days since the naturalization examination was conducted. See 8 U.S.C. § 1447(b).
3. This action is brought to compel Defendants and those acting under them to take action on a Form N-400, Application for Naturalization, in order for Plaintiff to become a Naturalized Citizen of the United States. The Application was filed by Plaintiff with the USCIS in or about July 2004, more than 3 years ago. Plaintiff was interviewed by Immigration Officer Aasen on July 26, 2005 and successfully passed the English language, and U.S. history and government tests. To this day, over two years after the interview, Plaintiff still awaits the decision.
4. Plaintiff is eligible to have his Application adjudicated.
5. Defendants are charged by law with the statutory obligation to adjudicate this Application.

II. PARTIES

6. Plaintiff, Mr. Azhar Sajawal, is a native and citizen of Pakistan, and a Legal Permanent Resident of the United States.
7. Defendant, Mr. Michael Bernard Mukasey, is sued in his official capacity as the Attorney General of the United States. In this capacity, he is responsible for the implementation and enforcement of the immigration laws and it is his delegation of authority to administer the immigration laws to USCIS that permit its officials to act under color of authority of the United States. See 8 U.S.C. § 1103. Furthermore, Mr. Mukasey, as the head of the Federal Bureau of Investigations has responsibility for providing access to criminal history record information pursuant to 8 U.S.C. § 1105(b), §1103(g).
8. Defendant, Mr. Michael Chertoff, is sued in his official capacity as the Secretary of DHS. In this capacity, he is responsible for the implementation, administration and enforcement of the immigration and naturalization laws pursuant to section 402 of the Homeland Security Act of 2002, 107 Pub. L. No. 296, 116 Stat. 2135 (Nov. 25, 2002).
9. Defendant, Mr. Emilio T. Gonzalez, is sued in his official capacity as the Director of USCIS of DHS. In this capacity, he is generally charged with the administration of benefits governed by the Immigration and Nationality Act. 8 U.S.C. § 103(c). This suit is being brought against him in his official capacity.
10. Defendant, Ms. Andrea Quarantillo, is sued in her official capacity as the District Director of the New York District Office of USCIS. In this capacity, she is in charge of the district where Plaintiff's Application for Naturalization is now pending.

III. JURISDICTION

11. This Court has jurisdiction over the present action pursuant to 28 U.S.C. § 1331, Federal Question Jurisdiction; 28 U.S.C. § 2201, the Declaratory Judgment Act; 5 U.S.C. § 702 and § 704, the Administrative Procedures Act; 28 U.S.C. § 1361, regarding an action to compel an officer of the United States to perform his duty; and 8 U.S.C. § 1447(b), which provides that a United States District Court may hold a hearing on a naturalization application when DHS has failed to determine the matter within 120 days of the date on which the naturalization examination was conducted.

IV. VENUE

12. Venue is proper under 28 U.S.C. § 1391(e), as amended, as it provides that in a civil action in which each defendant is an officer or employee of the United States or any agency thereof acting in his official capacity, or under color of legal authority, or any agency of the United States, the action may be brought in any judicial district in which a defendant in the action resides. Defendant, USCIS, is an agency which operates within this district, and Plaintiff resides in this district and no real property is involved in this action.

13. Plaintiff has exhausted its administrative remedies. Plaintiff has, over the past two years, on his own, through his U.S. Congress Representatives, and through the undersigned counsel, made numerous inquiries concerning the status of his Application for Naturalization, to no avail.

VI. FACTS

14. Plaintiff is a native and citizen of Pakistan, and a Legal Permanent Resident of the United States.

15. In or about July 2004, more than three years ago, Plaintiff filed an Application for Naturalization with USCIS. Plaintiff then received a receipt notice for his Application for Naturalization from the Vermont Service Center dated July 22, 2004. (See Exhibit 1, Receipt).

16. Plaintiff then received an appointment notice dated December 16, 2004 scheduling him for fingerprinting on January 13, 2005. (See Exhibit 2, Fingerprint Notification). Plaintiff was fingerprinted on that day.

17. Plaintiff then received an appointment notice dated April 22, 2005 scheduling him for a naturalization interview on July 26, 2005. (See Exhibit 3, Request for Applicant to Appear for Naturalization Initial Interview).

18. On July 26, 2005, Plaintiff was interviewed by Immigration Officer Aasen at USCIS, Garden City Office in New York and successfully passed the English language and the U.S. history and government tests. (See Ex. 4, Form N-652, Naturalization Interview Results. To this day, over two years after the interview, Plaintiff still awaits a decision on his Application.

19. Plaintiff has submitted numerous inquiries requesting status updates regarding his Application for Naturalization. On or about January 30, 2006, Plaintiff submitted an inquiry regarding the status of his pending Application for Naturalization. In response, Plaintiff then received a letter dated January 30, 2007 from USCIS, 26 Federal Plaza, New York, NY, advising him that his inquiry was referred to the Garden City office for a reply. (See Exhibit 5, Letter from USCIS-New York, NY). Then, on February 15, 2006, the USCIS office of Garden City, NY responded, informing Plaintiff that the security checks were pending. (See Exhibit 6, Letter from USCIS-Garden City, NY).

20. On April 25, 2006, Plaintiff sent a letter to the Congress of the United States, House of Representatives asking Congresswoman Carolyn B. Maloney to help him expedite his Application for Naturalization which had been pending. In his letter, Plaintiff explains to Congresswoman Maloney that he wanted to accept a job position with the New York Police Department, but was not able to do so because he had not received a decision on his Application for Naturalization. (See Exhibit 7, Letter to Congress).

21. On May 27, 2006 Congresswoman Maloney sent a letter to Ms. Linnea Stuart, Supervisory District Adjudications Officer, at USCIS, 26 Federal Plaza, New York, NY. In her letter Congresswoman Maloney requested that Plaintiff's Application receive "prompt review and every possible consideration. (See Exhibit 8, Letter from Congresswoman Maloney).

22. On or about June 2, 2007, Congresswoman Maloney received a response from USCIS stating that Plaintiff's case was "pending mandated agency checks." (See Exhibit 9, Inquiry Response).

23. On or about October 6, 2006, in response to an inquiry made by United States Senator Charles E. Schumer, USCIS once again advised that Plaintiff's case was "pending mandated agency checks." (See Exhibit 10, Inquiry Response).

24. On or about February 19, 2007, Plaintiff, through the undersigned counsel, sent a status inquiry letter to USCIS at Garden City, NY. The inquiry noted that Plaintiff's Application had been pending for more than a year and a half. (See Exhibit 11, Inquiry Letter). To this day, more than seven months have elapsed since the inquiry was sent, and USCIS has failed to reply- neither Plaintiffs nor counsel's office has received a response.

25. Defendants have unduly delayed or refused to adjudicate Plaintiff's Application for Naturalization. According to USCIS's web site, found at <https://egov.uscis.gov/cris/jsp/officeProcessTimes.jsp?selectedOffice=47>, as of September 15, 2007, the current processing time frame for an Application for Naturalization for the New York District office of USCIS is of seven months. Plaintiff's application was properly filed in July 2004, more than three years ago, and, therefore, its processing is significantly overdue. (See Exhibit 12, New York Processing Time Report).

VII. CLAIMS

26. The allegations contained in paragraphs 1 through 25 are repeated and re-alleged as though fully set forth herein.

27. Defendants have failed to adjudicate Plaintiff's Application for Naturalization for over 120 days since Plaintiff's naturalization examination, which was conducted on July 26, 2005. See 8 U.S.C. § 1447(b).

28. Defendants owe Plaintiff the non-discretionary duty to act upon his Application for Naturalization and have unreasonably and arbitrarily failed to perform that duty. See Independence Mining Co. v. Babbitt, 105 F.3d 502, 507 n. 6 (9th Cir. 1997) (explaining that the government has a general, non-discretionary duty to process applications).

29. Defendants, in violation of the Administrative Procedures Act, 5 U.S.C. §§ 555(b), 701 *et seq.*, are unlawfully withholding and unreasonably delaying action on Plaintiff Application for Naturalization and have failed to carry out the adjudicative functions delegated to them by law in Plaintiffs' case.

30 Case 4:07-cv-05441-RMB Document 1 Filed 09/27/2007 Page 5 of 32
damage to Plaintiff as it deprives him of the benefits of becoming a U.S. Citizen, and the benefit of the peace of mind he is entitled to. This unreasonable delay has even deprived Plaintiff from securing a job position with the New York Police Department. (See Exhibit 13, NYPD Employment Requirements, listing U.S. Citizenship).

VIII. ATTORNEY'S FEES

31. As a result of Defendants' failure and refusal to abide by the Immigration and Nationality Act, Plaintiff has been required to incur the cost of litigation and reasonable attorney's fees in preparing this action for Writ of Mandamus to compel the Defendants to fulfill their duties. Therefore, Plaintiff seeks full recovery of all costs of litigation and reasonable attorney's fees incurred as a result of Defendants' wrongful conduct.

WHEREFORE, Plaintiff prays that the Court:

1. Assume jurisdiction over the case and naturalize the Plaintiff under the terms of 8 U.S.C. § 1447(b);

or

2. Compel Defendants and those acting under them to perform their duty to adjudicate the Application;

and

3. Grant such other and further relief as this Court deems proper under the circumstances;

and

4. Grant Attorney's fees and costs of Court to Plaintiff under the Equal Access to Justice Act.

Respectfully submitted this 26th day of September 2007.

RE: AZHAR SAJAWAL, A046964867

Dear Congresswoman Carolyn Maloney,

I am a constituent living in your district and a green card holder waiting to naturalize. I would like to accept a job with the NYPD and serve my city and country, but because I have not yet received my citizenship, I am prevented from doing so. I plead with you to do whatever is in your power to expedite my naturalization case.

My name is Azhar Sajawal. My A number is A046964867. I live at 19-14 81st St., 1st Fl. in East Elmhurst, Queens. My telephone number is (718) 757 7423. I am currently a student at Queens College.

I submitted my application for naturalization in July 15, 2004. The application receipt number is ESC*001274036, and have enclosed the Notice of Action. I last had fingerprints taken on January 13, 2005, and have enclosed a letter confirming this. Finally, I had my naturalization interview on July 26, 2005, and have enclosed the Interview Results.

The officer told me that I would just have to wait for security clearance, but it has been almost one year and I have not heard anything further from USCIS. I was not asked to submit any additional documents.

Please do not hesitate to call me with any further questions. I can also come visit your office in Astoria if you need any additional documents. I am grateful for your assistance and look forward to hearing from you soon.

Sincerely,

Azhar Sajawal

Dear Ms. Stuart:

I am writing on behalf of Azhar Sajawal, who resides in the 14th Congressional District, which I represent. Mr. Sajawal contacted me regarding his application for naturalization.

As stated in the enclosed correspondence, Mr. Sajawal was interviewed for citizenship on July 26, 2005. He passed the tests of English and United States history and government, but his application is pending a security check. As nearly a year has passed since his interview and he has now been recruited for a position with the New York Police Department, a position he cannot accept without his naturalization papers, he is anxious to have his application processed as soon as possible.

At this time, I request that Mr. Sajawal's concerns receive prompt review and every possible consideration, consistent with all applicable rules and regulations. Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact Victor Montesinos in my district office at (212) 860-0606.

U.S. Citizenship and Immigration Services New York City NY Processing Dates Posted September 15, 2007

Notice: U.S. Citizenship and Immigration Services (USCIS) has improved the reporting procedure for processing times of immigration benefit applications. In the past, USCIS benefit processing reports indicated the specific type of applications or petitions that were being processed and the date the cases were received. However, the date the case was received did not provide a clear indication of when USCIS expected to complete the case, nor did it provide a clear indication of USCIS' commitment to process cases within a certain cycle time. It also did not align with the processing times and cycle times the agency reports in other contexts.

This improved reporting procedure is an effort to give our customers more accurate information that better reflects current processing time and USCIS service level commitments. Effective immediately, when we are completing applications and petitions within our service level goals we will report the USCIS service level commitment example, when our service level goal is to process a particular kind of case within six months, and if our processing time is six months or less, we will show "6 months".

When we are not meeting our service level goal, the date posted will reflect the filing date of cases that are being completed. It should be noted that while in some instances reported processing dates may appear to have regressed due to this change, they do not reflect a lengthening of USCIS processing times, but simply the change in reporting. Our goal is to provide accurate projections and thus give customers clear expectations as to what they can expect as a processing time.

There are several important exceptions to the processing times shown below:

- Case processing will be delayed if we must ask you for more evidence or information.
If we ask for missing required initial evidence, count the processing time from when we receive that missing evidence.
- The case processing timeframe will start over if a customer doesn't appear for an interview or asks that it be rescheduled.

What if I have a problem or have questions about a case?

We offer a variety of services after you file. For example, for most kinds of cases you can [check the status of your case online](#).

For more information about when and how to contact us, whether your case is outside our processing time or if there are other issues, please see our fact sheet –

Case Services - How do I... know what kind of services are available to me after I file my application or petition?

One additional point about these projections. They are the time to complete processing and mail the actual notice and/or document. If you check case status online and that your case has been approved, and you haven't yet received your approval notice or document in the mail, we ask that you wait thirty days from the approval date before contacting us. That is because it may take that long before it is returned to us as undeliverable. You can also print the case status online answer for your records.
